Town of Cottlesville

Call for "Expressions of Interest"

Cottlesville, a scenic coastal community located in Notre Dame Bay, NL wishes to invite Expressions of Interest for the development of a piece of property known locally as, "Charlie's Park". This property is comprised of approximately 6 acres (2.2 hectares) of land situated in a sheltered cove in Luke's Arm Bay. The area is accessible by road and has approximately 0.5 km of waterfront exposure. This property was last utilized as a municipal park. Preference will be given to proposals which develop the area's tourism potential, while focusing on heritage preservation. Details regarding the property and the surrounding region are available upon request. Proposals will be received up to April 30, 2011. All inquires and proposals should be directed to:

Reflections

To have true love you always must, prove your enduring wholehearted trust.

It is ourselves That we mostly deceive, What we want to be true We easily believe.

It matters very little what you have in store, since what you do not have amounts to so much more.
